

PROJECT #	STC0800000
DEPARTMENT	Public Works
DEPARTMENT CONTACT	Rod Steitzer

DESCRIPTION/JUSTIFICATION	
Annual program to maintain markings that identify travel lanes, crosswalks, and other guidance markings for auto, pedestrian, bicycle, transit and other forms of transportation. The program will result in the restriping of more than 40 miles of collector and arterial streets throughout the City.	

Funding increase of \$168,000 from the Citywide Traffic Management Safety Improvement Project. Additional yearly funding will support increased in-house inspection and the average increase of thermoplastic construction cost. Funding will also support the yearly prioritization of neighborhood locations to addressing the appropriate thermoplastic transportation/bike symbols, crosswalk and transportation channelization.
